<p><b>Issues and discussions raised at the hui</b></p>	<ol style="list-style-type: none"><li>1. Does this process include all Uri or just those that whakapapa to marae that have mandated the Board</li><li>2. Are the R.O.T.A.B assets being sold externally</li><li>3. Have the RST Trustees been elected</li><li>4. If this process is not ratified will the Board need to go back and make the changes reflective of the issues identified by Uri</li><li>5. There are individuals from Marae that have and have not mandated the Board that do not know what is happening and are not aware of the changes and processes that are taking place.</li><li>6. Individuals from Marae that have not mandated the Board do not necessarily support the decision of the Marae and wish to be informed of Raukawa changes and processes</li><li>7. Are the current Raukawa staff included in this process</li><li>8. How can Uri maintain engagement with what is happening at the Board where we are unable to attend hui or do not have access to the internet</li><li>9. Although Raukawa has received assets from the CNI Settlement negotiation work continues for potential investments and the Mana Whenua process</li><li>10. There is still an identified need to progress communication to Raukawa Uri</li></ol>
